The health and safety of both the guests and crew remains Hornblower's top priority. While guests can expect the same high standards and welcoming service, experiences have been adapted to ensure heightened cleanliness and to maintain social distance onboard. And with expansive decks both inside and out, there is plentiful fresh air and more than enough room on board for everyone to stay safely apart.

To provide reassurance in the current pandemic environment, Hornblower has expanded its industry defining **SafeCruise by Hornblower** program, building on already stringent sanitation processes, to incorporate further health-driven measures to guard against the spread of COVID-19 and other viruses. These include, but are not limited to:

- Mandatory daily crew member health screening, and wearing of appropriate PPE
- Revised boarding and ticketing procedures to allow for social distancing and touchless entry
- Requiring guests to wear face masks while cruising, except while eating and drinking
- Reducing the number of guests on board, and adapting all seating and table spacing to allow for a minimum 6-foot distance between guests
- Implementing enhanced sanitation and disinfection procedures, with hand sanitizing stations available throughout

Due to current capacity restrictions, numbers aboard are strictly limited, so movie-goers are encouraged to book early to guarantee a seat. Tickets are on sale now at [www.hornblower.com/san-diego](http://www.hornblower.com/san-diego) or call 855-253-7943.
